JUNE, 2018

## Manager's Report By: Mark Sloan

Memorial Day is closing in! We're excited for the upcoming season! We are working as hard as we can to get everything ready and to make sure the resort looks fantastic. We can't wait to see everyone! Let me provide you a few updates.

Amenities such as the pool and boat launch will be opening the Friday of Memorial Day Weekend. The restaurant will continue to be operating but they will be adding the snack bar operation beginning that weekend as well. As a reminder, they are now also operating the Pro Shop Grill....and remember, you are permitted to use your restaurant coupon for food at the pro shop! Please check the newsletter or the handouts for hours of operation on these items. Also, be on the lookout for updates concerning special events hosted by the Social Committee. We will be including updates monthly about upcoming events in the newsletter and weekly via the weekend handout.

Speaking of amenities.....don't forget, if you plan to use the pavilion back near the log cabin that you will need to reserve it Security. Please give Security a call at 606-561-5313 if you know you need to book an event.

Don't forget our upcoming Remodeling Open House is Saturday, June 9th. This will be a great opportunity to tour over 10 remodeled units and find out what enhancements can be made to your unit! The event will be taking place from 10am-2pm. In addition, you will be eligible to place your name in a \$300 "Woodson Bend" gift card drawing that can be used for just about anything we do inside the Resort. The great news is that you get to enter your name each time you visit a separate unit, which means if you tour them all, you will have multiple chances to win! Remodeling demand is high for the fall and winter, but the good news is that we have some openings for jobs over the summer for folks who are ready to get work done in the summer months! So don't miss out on your chance to beat the fall rush! Call or email Nick now to get your summer job ready to go at 606-561-5314 or [remodeling@woodsonbendresort.com](mailto:remodeling@woodsonbendresort.com).

In recent weeks, I have fielded several questions about our boil water advisories that go out from time to time. I feel this is a good opportunity to share some info with you. Anytime we experience a water leak on property and the water is shut off to repair it, the state requires all water providers to issue a "boil water advisory". This is a safety precaution. We do our best to get the info out to all Owners by placing the info at Security and doing a mass email to let folks know. However, let me offer some additional advice that will be helpful to you. Whether you have received a formal notice from us or not, always look at it like this; anytime you notice that the water has been off, if you notice air in your lines (water spitting out of the faucet with lots of air), or your water is murky, then please automatically go ahead and boil your water just to be safe. The reason I recommend this is that I am sure many of you get up and brush your teeth or make coffee before checking your email or coming to Security. Therefore, just always be aware if you see any of the signs mentioned above and take the cautious

route and boil your water. If you are uncertain at anytime, just give Maintenance or Security a call and they will be happy to help!

I want to ask everyone to help us out the rest of the year with a couple of major projects! The unusual wet weather this spring has delayed the start of our painting and roofing season by several weeks. We do our best to work with Owners to coordinate painting your buildings and roofing the buildings at times that none of the four owners are in the building, doing our best to avoid any family conflicts. However, we will for sure be under the gun trying to get this very necessary work done for each of you scheduled this year! Here's how you can help.....when you get that call or email from Maintenance asking if we can paint or roof in the coming days, we will really appreciate anything you can do to help accommodate the request and allow us to get the work done ASAP. Thanks in advance for your cooperation!!!!

"Friends of Woodson Bend" for 2018 is now available! If you are interested in becoming an official "Friend" we would love to have you on board with us. As a reminder, this program was setup to provide enhancements to our resort not typically covered via the regular budgets. The cost will be a \$50 donation that can be made annually. Your donation of \$50 also includes 2 Woodson Bend window decals for your car of golf cart. All members will be listed in our monthly newsletter and member's names will also be posted in various places throughout the resort. If you would like to become a friend then simply contact the Administration office at 606-561-5311 or via email and tell them you want to make a donation and become a FRIEND!!! The office will bill your account or you can stop by and make the payment in person. The 2018 'Friends' program is purchasing new tables and chairs for pool/deck area!

I would like to remind everyone that Woodson Bend has a small fleet of rental carts that are separate from our golf course and made available for renters or owners to rent while staying on property. You can use these carts to travel around the resort, back and forth from the pool to your condo and other activities. The carts and rates will be available at the pro shop during normal pro shop hours. This is a great way to enhance the stay of your family or friends while visiting. They are being reserved quickly so don't wait to reserve your cart now!!! Call Tim Dudley at 606-561-5316 or email him at [thdgolf@gmail.com](mailto:thdgolf@gmail.com).

As we have mentioned already this year, our 4th of July fireworks show will be taking place on Saturday, June 30th. It's our RED, WHITE and BOOM celebration!! As always, we would appreciate any and all donations to help us acquire additional fireworks to enhance the quality of the show. 100% of all donations will be used exclusively for purchasing additional fireworks. If you would like to donate please contact Lindsay at 606-561-5311 or via email at [administration@woodsonbendresort.com](mailto:administration@woodsonbendresort.com). Your donation can be charged to your account!

We are looking forward to a great season in 2018 and we look forward to providing you the best service we can to make each and every visit a great one for you!

## WOODSON BEND CHURCH SERVICES

We are excited to announce that **Pastor Gordy Prather** (the Minister of Science Hill Christian Church) will be returning again this Summer to lead our non-denominational church services, at **8:30 A.M.**, each Sunday (note the time change), beginning on Memorial Day Weekend, Sunday, May 27. His unique preaching style appeals to the kids as well as the grandparents, so be sure to bring the entire family! Worship services are held in the amphitheater, weather permitting; in case of rain, they are held in the Clubhouse. All Woodson Bend residents and guests are invited to attend this very casual 30 minute worship service, hear an inspiring message, and make new friends.
